Roku 4K UHD TV

THE FAN FAVOURITE

We all play favourites. That's why there's the Hisense R6 4K UHD Smart Roku TV. Whether your thing is dramedy or thriller, football or fútbol, prime time, on-demand or local news—the R6 makes it easier to queue-up and deep dive into the stuff you really love. Enjoy easy access to thousands of free and paid channels with Roku TV™. But endless streaming is only the beginning. An intuitive interface and simplified remote help you get the most out of your current cable or satellite subscription. Or, cut the cord altogether while still catching live news, sports and more in striking 4K resolution. Whatever your setup, the R6 Roku TV makes every day a great day to experience the entertainment you love and discover must-see shows.

DTS STUDIO SOUND

DTS Studio Sound™- post processing and psychoacoustic techniques are implemented to provide an immersive audio experience.

ROKU TV

Start with quick access to nearly endless content. At the touch of a button, you're in control of a digital library with more than 150,000 free and premium entertainment options across thousands of channels. The biggest networks. The top streaming services. All the live sports, must-see TV, award-winners, blockbusters, and kid-friendly content a person could ever "need." And with Universal Search, the R6 does the curating for you.

MOTION RATE - MR120

Blinked and you missed it? Think again. The R6 is built with motion in mind. Motion Rate image processing makes it so you can keep your eye on the ball, chase scene, or multi-player battle. Gamers see lag times drop and viewers see all the key moments in live sports or action movies. Captivating scenes grab your attention – and keep it with smooth motion.

USB MEDIA PLAYER

Plug in your USB and share your favourite moments from the built-in USB media player.
