

Fly away with us into a world where reality takes the back seat to imagination, sensation and intrigue. With Hisense LED, the optical limits and boundaries of traditional television are defied. Your imagination will leave you no choice but to indulge.

Product Highlights

Watch uncompressed video and enjoy digital audio with a single HDMI input. Connect your gaming console, digital box or lap top to the HDMI without having to compromise your devices.

Share documents and videos from your lap top or PC through the VGA input.

Watch hi-definition content through your smart phone, tablet or portable device with MHL and experience your favourite music, games or videos right on your Hisense TV

With the built-in audio output, conveniently plug in your audio headphone and enjoy your movies, TV shows, and music without disturbing anyone.
