## I'm a work of art

The Hisense Roku TV is an easy, convenient way to stream what you love. Watch just about anything whenever you want from free channels, paid subscriptions, or rent or buy — all on demand. Access 100,000+ movies and TV episodes including blockbuster films, primetime shows, live sports, news, kids' programming and music across thousands of free or paid channels like Netflix, Google Play, and many more.

### 4K Resolution & HDR - Compatible

Loads and loads of pixels—we're talking 8 million—of 4K UHD (3840 x 2160p) resolution. Add that to an HDR-Compatible standard and you get a more vibrant picture full of images that have greater depth and feel so real that you want to reach out and touch them. Thanks to all of this tech, you get a brighter, clearer, more vibrant picture.

### 4K Upscaler

Don't get rid of your DVD collection. Experience your favourite 1080p resolution movie in a new way. The upscaler will convert your movie in or near 4K to give you a crystal-clear picture.

### Roku Mobile App

Turn your smartphone or tablet into an ultimate streaming companion. Use your mobile device to quickly find something to watch, control your Roku TV and so much more! Get the Roku mobile app for your iOS® or Android™ devices.

### Roku Feed™

Roku Feed™ does the searching for you to keep you updated on your favorites. Follow movies, TV shows, actors, and directors and get automatic updates when entertainment you're interested in is ready to stream or available at a lower price.
