

Model: HS512

5.1.2 CH Dolby Atmos® Soundbar
with Wireless Subwoofer

Superior Sound. Powerful Bass.

The Hisense 5.1.2 channel Soundbar with Dolby Atmos® and DTS-X technologies, gives you the cinematic experience right in your living room. With 10 internal speakers, sounds fire from all directions to deliver astonishing clarity, richness, detail, and depth. The powerful wireless subwoofer provides thumping bass to make you feel like you are part of the action. Coupled with your television, the HS512 Soundbar is the perfect home entertainment solution. Pair with your smartphone or other devices and enjoy wireless music streaming through Bluetooth.

DOLBY ATMOS®

Clear, rich, and detailed sound from Dolby Atmos® provides an epic cinematic experience right in your living room.

Switch freely between multiple audio presets to enhance your listening experience. Choose between 5 modes - Sports, Music, Movie, Late Night, or News.

Bluetooth®

Easily connect to other Bluetooth enabled devices and get the most out of your Hisense Soundbar. Enjoy wireless music streaming from your smartphone, tablet or laptop.

Feel the rhythm of the music with rich, powerful surround sound. Thumping bass from the wireless subwoofer pumps 180W of output power.
