

Have the world at your fingertips with the Hisense 4K Ultra HD TV. The H9C Series brings you such extreme detail that what you're watching feels incredibly real. Experience the new world of 4K Ultra HD from the comfort of your own couch with the Hisense H9C series.

Product Highlights

With four times the number of pixels into the same screen sizes as traditional 1080p HDTVs, UHD (Ultra High Definition) technology displays four times Full HD resolution, enabling stunningly realistic picture quality and beautifully natural motion for incredible detail.

HDR

HDR (High Dynamic Range) processing provides a vibrant picture with deeper colours, getting crystal clear images that offer exceptionally realism.

120Hz

Thanks to Smooth Motion 240 and 120Hz refresh rate, these features helps deliver smooth viewing experience for movies and live action sports.

One of the first certified Netflix Recommended TV's in the industry by modernizing the Smart TV user experience. Lightning fast instant-on technology resumes streaming video and audio services in mere seconds with a single press of a button.
